

DRIVE 9000

Overview

DRIVE 9000

cod. 829565

12V ultra-compact multifunction emergency portable starter for motorcycles, automobiles, campers, marine engines etc.

Fit with two USB outputs (1A-2,1A) to charge (power bank) electronic devices (tablets, smartphones, MP3 players, cameras etc.), two 12/19V outputs to power laptops and other devices and two high intensity emergency LED lights.

It uses high-efficiency lithium LiPo polymer cells that provide rapid and complete charging, constantly monitored by a series of LEDs. Complete with starting cables, various connectors for mobile devices, cigarette lighter plug and wall charge.
