T04110	50 / 60 Hz	T04076	3 bar	DIMENSIONS	255 x 240 x 710 mm
T04111	230 V	T04114	0,95	WEIGHT	15,200 kg
T04112	180 W	T04115	Water		

DESCRIPTION

Cooling unit used for welding torches with 0.95kW cooling power and 5-litre capacity. Used for "closed circuit" liquid cooling. Use is suggested with specific liquid for cooling systems to avoid pump blockages and possible obstructions of the hydraulic circuit.
