

Telwin Drive 13000, 12V ultra-compact multifunction emergency portable starter for motorcycles, automobiles, campers, marine engines etc. complete with starting cables, various connectors for mobile devices, cigarette lighter plug and wall charge, all in a convenient case.

- **COMPACT BUT POWERFUL:** equipped with high performance 1500A peak batteries to start cars, motorcycles, vans etc when needed.
- **EFFICIENT:** it uses high-efficiency lithium LiPo polymer cells that provide rapid and complete charging, constantly monitored by a series of LEDs.
- **MULTIFUNCTION:** equipped with two USB outputs (1A-2,1A) to charge (power bank) electronic devices (tablets, smartphones, MP3 players, cameras etc.), two 12/19V outputs to power laptops and other devices.
- **PRACTICAL:** if necessary, it becomes an emergency lamp with two high-intensity LED lights with 3 operating modes: torch, blinking, SOS; its size also makes it suitable for storage in the glove compartment of the car.
